Priorities for 2022-23

- Continue to use (and try to utilise more) local sports clubs and coaches to support the quality of teaching and learning. Expert coaching delivered alongside the class teacher.
- Encourage teachers to use the new PE scheme of work with help from GetSet4PE through staff CPD.
- Track and assess pupils' swimming ability to ensure we have a clear record of who can or can't swim 25m (2 lengths of our pool would be 30m).
- Provide additional swimming sessions for any child not on track to swim 25m by the summer term of Year 6.
- Maintain high level of clubs and extra-curricular activities (currently 13 sports clubs offered each week) - maintain registers as a record.
- Maintain high level of participation in inter school competitions.
- Maintain and increase opportunities to link with local sports clubs and sports scholarships to secondary schools.
- Ensure there is a clear pathway to identify talent and help parents join local clubs.
- To ensure sports equipment is fit for purpose and enables the curriculum and clubs to be delivered effectively.
- Staff CPD for new sports.

- New Sports kit for the pupils to wear to matches - regardless of which sport they are playing.
